**EDUCATION:** D.D.S., McGill University;  
M.S.D., University of Washington

Originally from Montreal, Dr. Perry Goldberg graduated first in his dental class at McGill University before attending the University of Washington in Seattle where he earned a combined master's degree in periodontal-prosthodontics. This specialized training, along with a worldwide lecturing career and 31 years of private practice, have made Dr. Goldberg one of the premier dentists in his field with an established international reputation for excellence.

A Fellow of the American College of Dentistry, The International College of Dentistry, and the prestigious Pierre Fauchard Academy that recognizes excellence among dentists worldwide, Dr. Goldberg combines cutting-edge technology with astute diagnostic abilities to handle any cosmetic or restorative challenge, ranging from the simplest filling, crown, or veneer to complete rehabilitations on either natural teeth or implants. His drive for perfection, along with a superb and caring staff, have made Dr. Goldberg one of the most sought-after practitioners in Dallas when it comes to building beautiful smiles in harmony with health and function.
